Subject: Arroyo Grande

Hello –

Attached is the letter Mike sent to DOGGR re: the Arroyo Grande AE.

Kate - Mike and I talked about the likely need for a desk statement to respond to inquiries we may get. Could you please draft something? Probably one paragraph on the letter, mostly drawing broad concepts from the cover letter, and then one paragraph that is more general to aquifer exemption processing and approval in CA. Feel free to contact Michele for specifics.

Thanks,

David
